

Amateur Radio Emergency Service

ARES MEMBERSHIP ... IS FREE!

ARES provides you with the training to help your community with emergency communications.

You do not have to be a member of ARRL or any club to become an ARES member.

ARES can provide new hams with an *Elmer* to help them get started. ARES can also provide technical assistance for experienced hams.

Be a part of the national organization sponsored and directed by the ARRL, Public Service division. ARES groups are located in every county throughout the nation. You can join your local county group by contacting your ARES Emergency Coordinator.

Find more information about ARES
on the ARRL - ARES web site:
